

ARTICLE IX - DISTRIBUTION OF LOCOMOTIVES

ARTICLE XV - HERDER ASSIGNMENTS as contained in the May 1, 1988 Agreement between Indiana Harbor Belt Railroad Company and Employees represented by United Transportation Union(y) is hereby abrogated and the following shall apply in substitution thereof.

Section 1

Effective June 1, 1997 and thereafter, the Carrier shall not call or establish a Herder Assignment(s) in Yard service (including Outer Belt Transfer service).

Section 2

Effective June 1, 1997 and thereafter, a Yardman(s) in Yard service (in other than Outer Belt Transfer service) may be required to distribute locomotive(s) within the confines of such yard assignment's switching district, without additional compensation.

NOTE: An IHB Yardman may be required by the Carrier to attach such locomotive(s) to a train. Additionally, Yardman may be required by the Carrier to buckle the air hose between such locomotive(s) and the head car and cut the air into such train.

Section 3

Effective June 1, 1997 and thereafter, a Yardman(s) in Outer Belt Transfer service may be required to distribute locomotive(s) from one switching district to another, without additional compensation.
